@tobiasgroot.jpg

Curious and open-minded artist.

Interested in Art, Design, Fashion and People

Currently based in Amsterdam, planning to move to Berlin.  
Recently graduated from Gerrit Rietveld Academy in Amsterdam.

Experienced in digital art, 3D design, photography,  
art direction and interdisciplinary collaboration.

#### Technical Knowledge

Experienced in working with software such as Cinema 4D, Arnold, Blender, Photoshop, InDesign, After Effects, Premiere, Audacity.

#### Visual Arts

Art school graduate working with photography and digital imagery, and a love for fashion and video games. Museum enthusiast. Keeping up to date with what is happening in contemporary visual culture, not always participating, but always aware.

#### Design

Applying autonomous art practice into applied visual work, designing visual languages in order to communicate concepts and themes. Using software like the Adobe Creatise Suite, Cinema 4D and other tools to create projects

#### Teamwork & Collaboration

Working in a team with open communication and an open mind for development and feedback. Pro-active in decision making, and eager to constantly improve each other.

#### Communication

Learned through education and retail. Able to communicate plans, concepts, themes and thoughts. Always eager to hear one's opinion and brainstorm.

#### Languages

Fluent in Dutch and English, currently learning German.
